WHY THE ISLAND OF HAWAI'I?

Island of Hawai'i is home to a wealth of natural wonders and diverse climate zones. The island is nature's showcase, which was for many years the world's most active volcano, tropical rainforests, snow-capped peaks, rolling green hills, and black and white sand beaches. Hawai'i Island offers an incredible diversity of activities. Great meetings only get better in an inspiring and memorable setting. Island of Hawaii Visitors Bureau along with our island partners welcome you to experience our island, Hawai'i. E komo mai!
